

PLEASE READ THE FOLLOWING DISCLAIMER CAREFULLY BEFORE USING THIS WEBSITE

This disclaimer governs your use of the website owned by Living Aligned Health Coach. By using this website, you accept this disclaimer in full. If you disagree with any part of this disclaimer, do not use livingalignedhealthcoach.wordpress.com or any affiliated websites, properties, or companies.

Accessing this site, reading the material contained on this site, or otherwise using this site does not create, nor is it intended to create a physician-patient relationship. You further agree that you shall not make any medical or health-related decision based in whole or in part on anything contained on this site. **None of the opinions, recommendations, or information contained on this site have been independently evaluated by the CFIA or FDA.** Before following any particular recommendations, protocols, or suggestions presented by Living Aligned Health Coach, you must consult with your primary care provider, physician, specialist, nurse practitioner, or other applicable medical professional. **NO information on this site should be used to diagnose, treat, prevent or cure any disease or condition under any circumstances.**

All information, material, and content found on Living Aligned Health Coach website is strictly informational. **It is general information that may not apply to you as an individual, and it is not intended to serve as a substitute for your own primary care provider, physician, specialist, nurse practitioner, or other applicable medical professional's recommendations, care or advice.**

I am not a doctor or registered dietician, and I do not play one on the internet. As a Primal Health Coach, I am not regulated, licensed or certified by any province. However, a Primal Health Coach™ is trained by the [Primal Health Coach Program](#), which provides a certificate of completion to students who have successfully met all course requirements, including a written and practical exam. Laws and regulations regarding certification and licensure requirements differ from province to province.
